- c. Anna: Yes, the fish and plants are safer now.

A. c - b - a

B. b - a - c

C. a - c - b

D. b - c - a

### Question 2:

- a. Nam: That's amazing! Did he ever tell you any stories?
- b. Mai: My grandfather was a war doctor who saved many lives during difficult times.
- c. Mai: Me too, I want to write a book about his life one day..
- d. Nam: I really respect people like your grandfather who serve others.
- e. Mai: Yes, he told me about how he carried injured people on his back to help them.

A. b - d - a - e - c

B. d - b - a - c - e

C. b - a - e - d - c

D. d - c - a - b - e

### Question 3:

Dear Emily,

- a. Once again, I think this event could help us think more clearly about our future paths.
- b. There will be guest speakers from different jobs, and we can ask them many helpful questions.
- c. Let me know if you're free to join because I already saved two spots for us.
- d. I'd like to invite you to a career guidance talk happening at our school this weekend.
- e. It would be fun and useful to go together and learn more about job choices and skills.

Warm regards,

Lana

A. b - c - d - e - a

B. d - a - c - b - e

C. b - e - d - a - c

D. d - b - e - c - a

### Question 4:

- a. We showed each other traditional dishes, learned basic greetings in both languages, and talked about different holidays.
- b. At first, it was hard to understand some of her habits, but I soon appreciated how special they were.
- c. Two years ago, my school welcomed exchange students from Japan, and I became friends with one of them.
- d. This friendship helped me see that culture makes each person unique, and we can learn so much from differences.
- e. Overall, learning about different cultures made me more open-minded and proud of my own traditions too.

A. d - a - b - c - e

B. c - d - a - b - e

C. c - a - b - d - e

D. d - a - c - b - e

### Question 5:

- a. In many countries, such as Sweden, gender equality in the workplace has been increasingly prioritized, with policies like paid parental leave, equal pay for equal work, and support for women.
- b. However, despite significant progress, women in many regions still face barriers such as limited access to education, unequal career opportunities, and gender-based violence.
- c. In conclusion, gender equality is a global challenge that requires the active participation of governments, businesses, and individuals to create an equal society.
- d. The issue of gender equality has gained significant attention globally, especially in the context of the #MeToo movement, which highlighted the widespread problem of sexual harassment in the workplace.
- e. The United Nations' Sustainable Development Goal 5, focused on achieving gender equality, aims to eliminate all forms of discrimination and violence against women and girls by 2030.

A. d - b - a - e - c

B. e - b - d - a - c

C. d - a - b - e - c

D. e - d - a - b - c

### Question 6:

- a. Linh: My friend volunteers at a shelter for the homeless.
- b. Linh: Yes, we go every Sunday to help serve food.

c. Tuan: That's amazing. Can I join too?

A. c - b - a

B. b - a - c

C. a - c - b

D. b - c - a

**Question 7:**

a. Ben: Yes, but they respect each other's beliefs and celebrate both sets of holidays.

b. Ben: My cousin married someone from another country, and they follow two cultures now.

c. Ben: Yes, they say love and respect are more important than differences.

d. Anna: That must be fun, but maybe a little difficult too?

e. Anna: That's beautiful, living with two cultures must teach you a lot.

A. b - d - a - e - c

B. b - d - c - e - a

C. b - d - a - c - e

D. b - c - a - e - d

**Question 8:**

Dear Emily,

a. I think your advice helped me stay open-minded and ready to learn new things too.

b. After talking with you, I felt less afraid and more curious about this new technology.

c. It's really amazing but also a bit scary to see how fast machines are learning and changing.

d. Thank you so much for sharing your ideas about artificial intelligence during our last video call.

e. I started reading more about how AI is used in schools, hospitals, and even transportation.

Write back soon,

Paul

A. d - c - a - e - b

B. d - a - c - b - e

C. d - e - b - a - c

D. d - b - e - c - a

**Question 9:**

a. There were more high-rise buildings, new bridges, and so many people riding motorbikes everywhere.

b. When I visited Hanoi after five years, I was shocked to see how much the city had changed.

c. Overall, urbanization brings growth, but it also changes the way we live and feel in a city.

d. However, I also noticed more traffic jams, noise, and fewer trees in the areas I used to love.

e. Even though the city looked more modern, I missed the peaceful streets and slower life from before.

A. b - a - d - e - c

B. b - d - e - a - c

C. a - e - b - d - c

D. d - a - e - b - c

**Question 10:**

a. As a result, remote work has become an essential part of career planning, especially for young professionals seeking opportunities in tech, marketing, and consulting fields.

b. In conclusion, the future of work is shifting, and career paths must adapt to the growing demand for flexibility and innovation in the workplace.

c. The changing dynamics of the modern workforce are evident in the rise of remote work, a trend accelerated by the COVID-19 pandemic, which saw millions of workers shift to working from home.

d. For example, companies like Twitter and Facebook have embraced this shift, allowing employees to work from anywhere, thus providing greater flexibility and work-life balance.

e. However, the transition to remote work has also highlighted challenges such as maintaining productivity, managing virtual teams, and staying connected.

A. d - a - c - e - b

B. c - a - e - d - b

C. d - c - a - e - b

D. c - d - a - e - b

**Question 11:**

a. Mai: It's a part of our family history and culture.
